

FORT THÜNGEN

Who killed James Luxembond?

A terrible crime is shaking Luxembourg. James Luxembond, a famous touristic guide, was killed when he was about to reveal where the Grand Duchy's treasure was hidden. When his body was recently founded in the Casemates, a mysterious letter was lying next to him...Go inside the Fort Thüngen, where the monk Guillaume

Ambrosius will show you around and help you find out the missing pieces of this unsolved investigation. Honour the memory of Juan Lorca by trying archery, discover the history of the fort through artwork and defend your territory against the enemy. Will you be brave enough to discover the hidden treasure and solve James Luxembond's mysterious death?
